PROJECT INFORMATION:

Total project cost \$

Amount funded by the Whittenberger Foundation \$

Provide an overview of the project including the intended objectives as stated in the initial application.

Funding Alignment

Using the table below, please provide specific information on the intended use for these grant funds along with the final outcome.

Original Proposal:	Outcome:
Proposed geographical areas to be served:	Specific geographical area actually served:

Proposed population to be served:	Specific population actually served (<i>provide disaggregated data to the degree possible</i>):
Proposed budget:	Actual budget:

Which of the goals and objectives included in your grant application were achieved?

Were any of the goals and objectives included in your grant application not achieved and if so, why?

Based on your analysis of the project results:

- What would you consider to be the lasting benefits of this project and the funding received from the Whittenberger Foundation?

- What, if anything would you do differently?

What are your specific plans, if any, for continuing the work funded by this grant?

Additional Comments/Suggestions:
